

FOR \$1 A DAY
You can help
Variety improve
the lives of special
needs children
by becoming a
Heartbeat Partner.

HOW DOES THE HEARTBEAT PROGRAM WORK?

By making a regular monthly gift, Variety Heartbeat Partners go beyond helpful one off donations. Your contribution as a Heartbeat Partner provides essential funds for wheelchairs, neonatal intensive care equipment, wheelchair swings, bathing equipment, wigs for teenage girls with alopecia and special learning equipment. And because it is so important to know where your money goes, you'll receive regular updates to learn about all the good work your donations fund.

"Harrison's enjoyment is tangible as he manoeuvres his brand new wheelchair at school, turning and getting up ramps and in doors with ease. This gift has opened up a whole new world for Harrison."

GS Kidd Principal Heather Welch

OUR WORK

Variety, the Children's Charity is dedicated to improving the quality of life of children with special needs. We believe that all children should be given the opportunity to make the most of their abilities and to achieve their aspirations and dreams. Variety provides around \$1 million dollars a month in assistance to special needs children. Each month we have to turn down worthy appeals because we do not have enough money. Funds are channelled in a transparent manner into our Grants Programs. The grants fall into three national programs, referred to collectively as the Challenge Program:

Variety Freedom Program provides for mobility, communication devices and independence such as wheelchairs, Liberty Swings and Sunshine Coaches.

The Variety Caring For Kids Program supports NSW health services including hospitals, intensive care units and specialised medical services.

The Future Kids Program helps special needs and disadvantaged children by providing equipment that will be used by more than one child, such as computers and educational equipment.

Variety also provides life experiences for disadvantaged children and those living in remote areas.
